# Farm Management Deposits

Available to primary producers, the Rabobank Farm Management Deposits (FMD) can help you set aside pre-tax income in the good years to help manage your business in the lower income years.

FMDs are an effective risk management tool when combined with other risk management strategies and also when used as an individual investment.

## Why invest in a Rabobank FMD?

The key benefit of these investments is that they are fully tax deductible in the year of deposit and only taxable in the year of withdrawal (deposits must usually be held for a minimum of 12 months to qualify for these tax benefits). This allows primary producers to reduce their taxable income and to help manage cashflow.

Our interest rates earn you daily returns to maximise your investment growth. All interest payments and withdrawals from Rabobank FMDs are direct credited to your nominated bank account, and no account service fees apply (Government taxes may apply).

### Variable FMD

- Interest calculated on the daily closing principal balance and paid quarterly in arrears
- Interest payments and withdrawals directly credited to your nominated bank account

### Short-term FMD

- A fixed interest rate for the fixed term of your investment – from 1 month to 12 months
- Interest paid on the maturity date you nominate, to suit your cash flow requirements

### Long-term FMD

- A fixed interest rate for the fixed term of your investment – available for a 1 or 2 year term
- Interest paid quarterly, half-yearly or yearly in arrears

### Key features<sup>1</sup>

- Available to primary producers with a taxable non-primary production income of no more than \$100,000 in the year of deposit
- Any amount from \$1,000 to \$800,000 can be invested per farmer.
- Total FMD deductions in any year cannot exceed your taxable primary production income for that year
- Companies, trusts and partnerships are not eligible to hold FMDs – but they are available to certain beneficiaries of trusts and individual partners of a partnership
- Minimum withdrawals of \$1,000 can be made, but this does not apply when closing the account

<sup>1</sup> Other conditions apply to the FMD Scheme, please read the FMD Application Form for further details.
