 - It is not an offence to withhold your TFN or, where the Securities are held for a business purpose, your ABN. However, if you do not provide your TFN or ABN, tax may be deducted from payments of interest and the unfranked portion of dividends at the highest marginal tax rate.

12 GST Status

- 12.1 If you notify us in the Application Form or otherwise in writing that:

Proof of despatch of facsimile or email will be proof of receipt; in the case of facsimile, on the day immediately following despatch, provided that the sender's facsimile machine produced a simultaneous report of successful transmission; and in the case of an email on the expiration of one (1) day after the date of sending.

20 Governing Law

This Agreement is governed by and interpreted in accordance with the laws in the State of Queensland and each of the parties irrevocably and unconditionally submit to the exclusive jurisdiction of the courts of Queensland and the Commonwealth of Australia in respect of all matters arising out of or relating to this Agreement.

22 Complaints

23 National Guarantee Fund

23.1 The National Guarantee Fund covers losses in certain circumstances as set out in the Corporations Regulations 2001 (Cth).

23.2 If you incur a loss covered by the National Guarantee Fund you should contact the ASX to make a claim for compensation against the fund.

Chi-X and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations. The Chi-X compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Chi-X participant, subject to certain exceptions.

In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss. If you do not expressly or impliedly instruct your stockbroker, who is a Chi-X participant, to execute your trading instructions on the Chi-X market, and it is not reasonably apparent from the usual business practice of your stock broker which of the ASX or Chi-X market the participant would use when acting for you, the Chi-X fund will not apply. In this case, the National Guarantee Fund (NGF) may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au).

 - authorises the Participant to take whatever other action is reasonably required by ASX Clear in accordance with the Rules to give effect to that arrangement.
- 3.2.2 Where the Participant Sponsored Holder arranges with any person to give a charge or any other interest in Financial Products in a Participant Sponsored Holding, the Participant Sponsored Holder authorises the Participant to take whatever action is reasonably required by the person in accordance with the Rules to give effect to that arrangement.
- 3.2.3 The Participant Sponsored Holder acknowledges that where, in accordance with this Agreement and/or the Participant Sponsored Holder's instructions, the Participant initiates any action which has the effect of creating a sub-position over Financial Products in the Participant Sponsored Holding, the right of the Participant Sponsored Holder to transfer, convert or otherwise deal with those Financial Products is restricted in accordance with the terms of the Rules relating to sub-positions.
- 3.2.4 Nothing in this Agreement operates to override any interest of ASX Clear in the Financial Products.

3.3 Fees

- 4.2 The Participant Sponsored Holder acknowledges that if a transfer is taken to be effected by the Participant under Section 9 of the ASX Settlement Operating Rules and the Source Holding for the transfer is Participant Sponsored Holding under the Sponsorship Agreement, then
- a the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the Transfer was not effected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the transfer; and
 - b unless the transfer is also taken to have been effected by a Market Participant of ASX or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the transfer against the National Guarantee Fund under Part 7.5, Division 4 of the Corporations Regulations 2001.
- 4.3 In the event that the Participant breaches any of the provisions of this Agreement, the Participant Sponsored Holder may refer that breach to any regulatory authority, including ASX Settlement.
- 4.4 In the event that the Participant is suspended from CHES participation, subject to the assertion of an interest in Financial Products controlled by the Participant, by the liquidator, receiver, administrator or trustee of that Participant:
- a the Participant Sponsored Holder has the right, within twenty (20) Business Days of ASX Settlement giving Notice of Suspension, to give notice to ASX Settlement requesting that any Participant Sponsored Holdings be removed either:
 - i from the CHES Subregister, or
 - ii from the control of the suspended Participant to the control of another Participant with whom they have concluded a valid Sponsorship Agreement pursuant to Rule 12.19.10, or
 - b where the Participant Sponsored Holder does not give notice under Clause 4.4.(a), ASX Settlement may effect a change of Controlling Participant under Rule 12.19.11. and the Participant Sponsored Holder will be deemed to have entered into a new Sponsorship Agreement with the substitute Participant on the same terms as the existing Sponsorship Agreement. Where a Participant Sponsored Holder is deemed to have entered into a Sponsorship Agreement, the new Participant must enter into a Sponsorship Agreement with the Participant Sponsored Holder within ten (10) Business Days of the change of Controlling Participant.
- 4.5 The Participant Sponsored Holder acknowledges that before the Participant Sponsored Holder executed the Sponsorship Agreement, the Participant provided the Participant Sponsored Holder with an explanation of the effect of the Sponsorship Agreement and that the Participant Sponsored Holder understood the effect of the Sponsorship Agreement.
- 4.6 The Participant Sponsored Holder acknowledges that in the event of the death or bankruptcy of the Participant Sponsored Holder, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with the ASX Settlement Operating Rules, unless the Participant Sponsored Holder's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHES Subregister.
- 4.7 The Participant Sponsored Holder acknowledges that in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, subject to the consent of the legally appointed representative, for a period of up to three (3) calendar months after the removal of a Holder Record Lock applied pursuant to Clause 4.6.

For Joint Holdings Only

- 4.8 The Participant Sponsored Holder acknowledges that in the event of the death of one of the Holders, the Participant will transfer all Holdings under the joint Holder Record into new Holdings under a new Holder Record in the name of the surviving Participant Sponsored Holder(s), and that this Sponsorship Agreement will remain valid for the new Holdings under the new Holder Record.
- 4.9. The Participant Sponsored Holder acknowledges that in the event of the bankruptcy of one of the Holders the Participant will:
- a unless the legally appointed representative of the bankrupt Participant Sponsored Holder elects to remove the Participant Sponsored Holdings from the CHES Subregister, establish a new Holder Record in the name of the bankrupt Participant Sponsored Holder, transfer the interest of the bankrupt Participant Sponsored Holder into new Holdings under the new Holder Record and request that ASX Settlement apply a Holder Record Lock to all Holdings under that Holder Record, and
 - b establish a new Holder Record in the name(s) of the remaining Participant Sponsored Holder(s) and transfer the interest of the remaining Participant Sponsored Holder(s) into new Holdings under the new Holder Record.

5 Change Of Controlling Participant

- 5.1 If the Participant Sponsored Holder receives a Participant Change Notice from the Controlling Participant of the Participant Sponsored Holding and the Participant Change Notice was received at least twenty (20) Business Days prior to the date proposed in the Participant Change Notice for the change of Controlling Participant, the Participant Sponsored Holder is under no obligation to agree to the change of Controlling Participant, and may choose to do any of the things set out in clauses 5.2 or 5.3.
- 5.2 The Participant Sponsored Holder may choose to terminate the Agreement by giving Withdrawal Instructions under the ASX Settlement Operating Rules to the Controlling Participant, indicating whether the Participant Sponsored Holder wishes to:
- a transfer its Participant Sponsored Holding to another Controlling Participant, or
 - b transfer its Participant Sponsored Holding to one or more Issuer Sponsored Holdings.
- 5.3 If the Participant Sponsored Holder does not take any action to terminate the Agreement in accordance with 5.2 above, and does not give any other instructions to the Controlling Participant which would indicate that the Participant Sponsored Holder does not agree to the change of Controlling Participant then, on the effective date, the Agreement will have been taken to be novated to the New Controlling Participant and will be binding on all parties as if, on the effective date:
- a the New Controlling Participant is a party to the Agreement in substitution for the Existing Controlling Participant
 - b any rights of the Existing Controlling Participant are transferred to the new Controlling Participant, and
 - c the Existing Controlling Participant is released by the Participant Sponsored Holder from any obligations arising on or after the effective date.
- 5.4 The novation in clause 5.3 will not take effect until the Participant Sponsored Holder has received a notice from the New Controlling Participant confirming that the New Controlling Participant consents to acting as the Controlling Participant for the Participant Sponsored Holder. The effective date may as a result be later than the date set out in the Participant Change Notice.

- 5.5 The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 5.4 by the doing of any act which is consistent with the novation of the Agreement to the New Controlling Participant (for example by giving an instruction to the New Controlling Participant), on or after the effective date, and such consent will be taken to be given as of the effective date.
- 5.6 The Agreement continues for the benefit of the Existing Controlling Participant in respect of any rights and obligations accruing before the effective date and, to the extent that any law or provision of any agreement makes the novation in clause 5.3 not binding or effective on the effective date, then the Agreement will continue for the benefit of the Existing Controlling Participant until such time as the novation is effective, and the Existing Controlling Participant will hold the benefit of the Agreement on trust for the New Controlling Participant.
- 5.7 Nothing in this clause 5 will prevent the completion of CHES transactions by the Existing Controlling Participant where the obligation to complete those transactions arises before the effective date and the Agreement will continue to apply to the completion of those transactions, notwithstanding the novation of the Agreement to the New Controlling Participant under this clause 5.

6. Claims For Compensation

- 6.1 Except for the operation of clauses 2.2.5 and 6.3 no external compensation arrangements apply to the Participant Sponsored Holder.
- 6.2 If the Participant breaches a provision of this Agreement and the Participant Sponsored Holder makes a claim for compensation pursuant to that breach, the ability of the Participant to satisfy that claim will depend on the financial circumstances of the Participant.
- 6.3 If a breach by a Participant of a provision of this Agreement falls within the circumstances specified in the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations, a Participant Sponsored Holder may make a claim under the relevant compensation arrangements.
- 6.4 Chi-X and ASX operate different compensation funds that provide protection for retail investors in the circumstances defined in the Corporations Act and Regulations. The Chi-X compensation fund covers losses resulting from defalcation or fraudulent misuse of your money, property or authority by a Chi-X participant, subject to certain exceptions.

In circumstances where your stockbroker is also an ASX participant, the following applies in relation to such a loss. If you do not expressly or impliedly instruct your stockbroker, who is a Chi-X participant, to execute your trading instructions on the Chi-X market, and it is not reasonably apparent from the usual business practice of your stock broker which of the ASX or Chi-X market the participant would use when acting for you, the Chi-X fund will not apply. In this case, the National Guarantee Fund (NGF) may apply, provided the loss is connected to the ASX market and is covered by the NGF claims provisions. The NGF claims provisions are set out in Division 4 of Part 7.5 of the Corporations Act and Regulations (for further information see the legislation and the NGF Information Booklet available at www.segc.com.au).

7 Termination

- 7.1 Subject to the ASX Settlement Operating Rules, this Agreement will be terminated upon the occurrence of any of the following events:
- by notice in writing from either the Participant Sponsored Holder or the Participant to the other Party to the Agreement
 - upon the Participant becoming insolvent
 - upon the termination or suspension of the Participant, or
 - upon the giving of Withdrawal Instructions by a Participant Sponsored Holder to a Controlling Participant in accordance with Rule 7.1.10(c).
- 7.2 Termination under Clause 7.1(a) will be effective upon receipt of Notice by the other party to the Agreement.

8. Variation

- 8.1 Should any of the provisions in this Agreement be inconsistent with the provisions in the ASX Settlement Operating Rules, the Participant will, by giving the Participant Sponsored Holder not less than seven (7) Business Days written Notice, vary the Agreement to the extent to which in the Participant's reasonable opinion is necessary to remove any inconsistency.

What information should you provide to receive personalised advice?

You need to provide us with details of your personal objectives, risk profile, your current financial situation and any other relevant information, so that we can offer you the most appropriate advice possible.

You have the right not to provide this information. However, if you choose not to provide any or all of the information requested, the advice you receive from us will be limited accordingly and may not be appropriate to your needs, objectives and financial situation.

In these circumstances you should consider the appropriateness of our advice in the light of your own objectives, financial situation or needs prior to making any investment decision. If the advice relates to the acquisition of an unlisted Financial Product, you should consider the relevant Product Disclosure Statement before making a decision.

Statement of Advice

Whenever we provide you with any personal financial advice, you may be entitled to receive a Statement of Advice (SOA) from us. The SOA will tell you:

- The advice
- The basis on which the advice has been provided
- Our fees and commissions
- The basis of the remuneration received by your adviser
- Any associations we have with Financial Product Issuers or other parties which may have influenced the advice we give you.

Further Advice

However, whenever we provide you with further advice, which takes into account your relevant personal circumstances, a SOA generally will not be provided. In these circumstances, we will maintain brief details of the basis of advice and you may request, for a period of seven (7) years from when the advice is provided, a copy of the record of advice.

A record of your 'relevant personal circumstances' will be maintained and a SOA, detailing these personal circumstances and any agreed investment strategy and advice, will be provided to new retail clients. Thereafter, a new SOA will only be provided if you advise that your circumstances have changed materially.

Product Disclosure Statement

If we recommend to you a particular Financial Product (other than securities such as listed shares), we will provide you with information about the particular Financial Product in a Product Disclosure Statement to help you make an informed decision about the Financial Product.

The Morgans Network

All Morgans advisers are Authorised Representatives of Morgans under our AFSL. Morgans has a network of offices around Australia which are operated in one of two ways. Each office is either:

- An 'Owned Office' where the staff and Authorised Representatives are all employees of Morgans Holdings (Australia) Limited. Morgans Financial Limited is the operating company and a wholly owned subsidiary of Morgans Holdings (Australia) Limited.
- A 'Managed Office' where a service entity has entered into a Management Agreement with Morgans to manage the office of Morgans in a geographical location. The service entity employs all staff including Authorised Representatives for that office.

What will Morgans be paid for providing financial services and how are any commissions, fees or other benefits calculated?

Generally the payment we receive will be based on the amount you pay. It may vary from one Financial Product Issuer to another. Details of the payment we receive are contained in the Product Disclosure Statements for most Financial Product Issuers available from your adviser.

We will advise you about any commissions, fees and any other benefits, where possible, in actual dollar amounts prior to the transaction. This information will be provided verbally and/or, where a SOA is issued, in the written SOA or confirmation.

When personal advice is given, if the remuneration (including commission) or other benefits are not calculable at that time, the manner in which the remuneration (including commission) or other benefits are to be calculated will be disclosed at the time the personal advice is given or as soon as practicable after that time.

There are a number of ways we may be remunerated for our services depending on the type of advice you receive.

Payments you make to us

- Brokerage is payable by you when we buy or sell securities, such as shares, warrants and options, on an authorised market. The amount of brokerage you pay will be determined in consultation with your adviser. A minimum charge may also apply to transactions. You will also have to pay GST on brokerage.
- We may charge you a fee, depending on the time we spend developing your plan, or depending on the value of funds you invest. This fee will be determined in consultation with your adviser but would normally be based on an hourly rate.

- We may charge you a management fee annually or in instalments, based on the value of your portfolio. This fee will normally be based on the amount under management.
- We may charge you administrative or miscellaneous fees covering (not fully inclusive) off market transfers, cancellations & rebooking, nominee fees, international custody, SRN enquiries, fail fees, late settlement or early settlement, bond custody and settlement etc.

Payments and other benefits we may receive from Financial Product Issuers (including GST)

- We may receive a payment called commission which is paid to us by the Financial Product Issuer(s) (e.g. fund manager, CMA provider, or life insurance company). This can be paid in the following manner:
 - We may receive a one off payment from the Financial Product Issuer at the time you invest or contract. These generally are calculated as a percentage of the amount you have invested, typically between 0% and 5.5%, and are deducted from the amount invested. Life insurance company first year commissions (upfront) range between 0% and 121%.
 - We may receive ongoing payments, called trailing commissions, from a Financial Product Issuer during the time you hold an investment product. On investment products these trails typically range between 0% and 1.1%.
- Renewal commissions on life insurance products range between 0% and 33%.
- Example – If you invested \$10,000 in an unlisted investment product and we charged you an initial commission of 1.65% and received an ongoing commission of 0.55% from the Financial Product issuer, then
 - Morgans would receive \$165 as an initial commission; and
 - Morgans would receive \$55 per annum as an ongoing commission for the period you continue to own the product.
- We do not charge clients any brokerage in connection with subscriptions for shares in IPOs. We may, however, receive a fee from the issuer for handling the application as disclosed in the relevant prospectus and/or allocation letter.
- In connection with on-market warrant purchases from warrant issuers, we may receive incentive fee payments from those warrant issuers as disclosed in the relevant Issuer Offering Circulars. As a guide these fees may range between 1.1% and 2.2% of the on-market transaction value.
- Morgans does not provide its own margin lending facilities. Where clients borrow through margin lending arrangements facilitated by our business connections, we may receive a trailing commission of up to 0.275%, and potentially an 'override commission' of up to 15 basis points, of the outstanding balance of such loans. As members of the financial services industry, staff members of Morgans are entitled to receive a discount on personal margin loans they may hold from such suppliers. These discounts (depending on the issuer) may vary between 50 and 100 basis points and are not related to any client business.
- On cash deposit products we will receive a commission which is distributed to the service entity and the adviser as per the following example:
 - If we receive a commission of \$100, the service entity may receive \$85 from Morgans. Out of the amount the service entity receives, an adviser remunerated by commission will receive a share which is typically around 35%, or \$35.
- We may receive fees, normally determined as a percentage of revenue, from external parties where we have referred you to them for expert advice (eg insurance or mortgage agent/ broker).
- We may receive payments or benefits from Financial Product Issuers to assist in training of advisers or marketing of their products.

- We may be paid volume bonuses and other incentives directly from Financial Product Issuers, although the amount or percentage will vary from Issuer to Issuer.
- We may earn interest, at prevailing bank deposit rates, on the aggregate balance of any funds retained within our trust account.

How are our service entities, advisers and referral sources paid?

Service Entities

For our Managed Offices, the service entities are paid monthly in accordance with the Management Agreement between Morgans and the service entity. The amount that the service entity is paid depends on the various products, volume levels, agreed commission distribution, and fixed costs associated with the business written by advisers at the relevant managed office. For example, on a brokerage charge to the client of \$100, the service entity may receive around \$85 from Morgans. Out of the amount the service entity receives, the service entity will then pay its fixed costs and remunerate its employees in accordance with their employment contracts.

If your adviser is employed by a service entity, this manner of calculation will be disclosed at the time that personal advice is given to you or as soon as practicable afterwards.

Advisers

Advisers are remunerated by their employer by way of salary and/ or a percentage share of commissions earned by Morgans from business written

by the adviser (ranging from 33 1/3% to 55% depending on the products and volume levels) and/or a share of any profits of the service entity or Morgans Holdings (Australia) Limited where the adviser is a shareholder or unit holder of such entity. Advisers may also earn bonus payments based on the individual and the company's performance.

Referral Services

If a third person such as a financial planner or an accountant has referred you to us, we may pay to that person a part of any fees or commissions we receive from you. This will be disclosed to you at the time of transacting business.
